Environment Audit

Parameters	**Status (Yes/No/NA)**
Air Emissions	
Do you generate air emissions?	YES
Do you monitor air emissions?	YES
Do you have objectives and targets for air emissions?	YES
Do you have documented procedures for identifying, monitoring and controlling air emissions?	YES
Have you conducted training for air emissions procedures?	YES
Do you have a site plan illustrating emission points?	YES
Waste Water Management	
Do you generate waste water?	YES
Do you monitor waste water discharges?	YES
Do you have objectives and targets for waste water discharges?	YES
Do you have documented procedures for identifying, monitoring and controlling waste water discharges?	YES
Have you conducted training for waste water discharge procedures?	YES
Is any waste water discharged directly into rivers/streams/canals?	NO
Is storm water on your site discharged directly into rivers/streams/canals?	NO
Is any waste water treated on your site?	YES
Waste Management	
Do you produce or handle any of the following?	
• Solid waste (e.g. inert waste, general waste, domestic waste)	YES
• Hazardous waste (e.g. flammables)	YES
• Special waste (e.g. metals/oil residues)	YES
• Clinical waste (e.g. healthcare waste)	NO
Do you have objectives and targets for dealing with waste?	YES
Do you have documented procedures for identifying, monitoring and controlling waste?	YES
Have you conducted training for your waste management procedures?	YES
Do you dispose of any waste on your site?	NO
Do you treat any waste on your site?	YES
Handling And Storage	

Do you handle/store hazardous materials?	YES
Do you have any of the following?	
• Underground storage tanks?	NO
• Above ground storage tanks?	YES
• Bulk storage (e.g. drums)?	YES
Do you have procedures for managing storage areas, spills, and potential contamination?	YES
Noise Control	
Do you have any sensitive noise receptors? (e.g. residents, neighbors)	YES
Have you set any objectives and targets to control external noise?	YES
Have you conducted training regarding your noise monitoring procedures?	YES
Are controls imposed on you by regulatory authorities?	YES
Resource Consumption	
Do you monitor water consumption?	YES
Do you monitor energy consumption?	YES
Do you have any objectives and targets directed at resource consumption?	YES
Do you monitor consumption of raw materials?	YES
Do you have any recycling/reuse/redesign initiatives for products, materials and processes?	YES
